

Hi Neighbour!

We are so excited to see the **Yonge North York Night Market** return to **Mel Lastman Square** this weekend (Fri - Sun) in partnership with **Luminato** AND **The Food Network**. Make sure you come with your selfie stick as you won't want to miss the 25-foot **Conrad the Raccoon** installation. Conrad was the name of a raccoon that died in Toronto in the summer of 2015. And though Conrad was just a raccoon, he was human enough to inspire compassion and warmth in the hearts of Torontonians. This is a monument in his honour. You will also get to enjoy **60 International Food Vendors** curated by [@streeteatmarket](#).

Here's the Night Market Schedule:

Friday, June 7 from 6 PM to 10 PM

Saturday, June 8 from 2 PM to 10 PM

Sunday, June 9 from 2 PM to 8 PM

Tonight is also the kick-off of **Movie & Make-Your-Own Pizza Night** at **Edithvale Community Centre**. Make your own personal pizza for \$4 from 6-8:45pm. The Disney movie "**Elemental**" will start at sundown. The movie will move indoors if the weather ever changes on a movie night. Here is a quote from a Google Review for the movie, "*I was not expecting to walk into a Pixar film with my 7-year-old today and see one of my favourite movies ever!! I laughed out loud, I cried a lot, and felt so much love well up inside me. My daughter loved it absolutely, but I was completely moved. It was hard for me not to tell every stranger in the theatre how much I love them as we were leaving (why do we hold ourselves back from doing such things?), and it made me fall in love with my husband all over again.*"

Thank you to all who enjoyed the launch of **Willowdale Central Ratepayers' Association's** launch of their **June/July Thursday Night Weekly Concert Series at Lee Lifeson Park!** We are grateful for the return of this wonderful series and the opportunity it brings for community members to **enjoy free live music** while **connecting with fellow neighbours**. [Click Here](#) for the lineup for upcoming concerts. **Reminder:** Lee Lifeson Park is the **ONLY** park in Willowdale where it is legal to enjoy alcoholic beverages. Some may enjoy bringing their own wine to sip during this concert series.

TTC Strike Averted!

Many people across the city breathed a collective sigh of relief to hear a tentative deal was reached between the TTC and ATU Local 113. This means TTC service will continue without interruption for Willowdalers travelling to school and work today. Many thanks to the teams at TTC, ATU Local 113 and **TTC Chair Councillor Myers**.

According to **TTC CEO Rick Leary**, "This is a fair deal that is affordable for the TTC and respectful of the important work the 11,500 members of ATU Local 113 do every day to keep our system safe and our service reliable."

Support the Canadian Helen Keller Centre (CHKC)

Please support the **Deafblind Community in Willowdale** by participating in the first annual **CHKC Walk in Support of People Who Are Deafblind** that is taking place on **Friday, June 14, 2024** starting at **11am**. Beginning at **Rotary Cheshire Apartments at 422 Willowdale Ave.**, participants will walk for just under an hour around the block finishing at **CHKC's Training Centre** located at **210 Empress Ave.** where they will be welcomed with free pizza and beverages.

This event takes place during **National Deafblind Awareness Month** and is an excellent opportunity to raise and spread awareness about deafblindness and the programs and services offered at CHKC. All participants are required to fundraise a minimum of \$100 before the race. To register and to receive a pledge form, please contact **Franco Cignelli** at fcignelli@chkc.org. You can also simply donate by clicking the donation button at chkc.org or you can text CHKC at 20222.

EDITHVALE COMMUNITY CENTRE POLLINATOR GARDEN

Exciting news! Planting of the Edithvale Community Center pollinator garden will start the morning of **June 26, 2024**, where City Staff will plant the wetland area of the site! City Staff have purchased approximately 500 native plants consisting of 13 different species, all chosen to do well in the wetter areas of the site.

Volunteers, please RSVP by reply to councillor_cheng@toronto.ca if you can attend to watch the planting on the morning of June 26! Our office will connect those interested in participating to the lead of the group that will help manage and maintain the space. This morning is an opportunity for community volunteers to meet each other, meet the staff, and to watch and learn what is being planted where. If anyone does want to roll up the sleeves to help carry plants or whatever, that may also be possible. This will be a fun and informative morning for all.

Please also confirm if you want to be added to the roster of volunteers to help steward the new plantings through the coming summer and fall months. This will be a team effort of light maintenance to keep down any weeds around the new plants, with schedule flexible pending everyone's availability and time.

Sheppard Extension

Join us to learn more.

Metrolinx is seeking your input on a potential Sheppard Extension.

What we learn from the community will help shape the project moving forward.

Join us at an upcoming community open house to learn more and provide your feedback.

SHEPPARD EXTENSION: COMMUNITY OPEN HOUSE

Metrolinx is hosting the second round of consultation for the Sheppard Extension this June. This project is in the first stages of Metrolinx's project planning and development process, called the Initial Business Case (IBC). This reviews a potential project at a high level to assess how it addresses a problem and/or opportunity. The feedback Metrolinx gathered during the first round of consultations helped shape concepts for potential rapid transit improvements along Sheppard. Now, they want to hear what people think about the draft concepts developed following the first round of consultation.

Join Metrolinx at the upcoming open houses to provide additional feedback as they work towards finalizing the IBC. The open house dates are:

- Tuesday June 18, 6:00 p.m. – 8:00 p.m. - Chinese Cultural Centre of Greater Toronto
- Thursday June 20, 6:00 p.m. – 8:00 p.m. - Earl Bales Community Centre

WILLOWDALE IMPACTED AREA FOR SHEPPARD AVENUE EAST PLANNING REVIEW

The City is developing a vision and plan to guide growth and future development within the Sheppard Avenue East corridor between Bayview Avenue and Leslie Street. **This impacts the eastern tip of Willowdale on Sheppard.**

The ReNew Sheppard East Planning Study (Sheppard Avenue East Planning Review) will provide recommendations to clarify, refine, and/or strengthen the existing policy framework, which could include official plan changes, and areaspecific planning tools and policies.

OFFICIAL PLAN AMENDMENT 680: PUBLIC COMMUNITY CONSULTATION

City Planning Division is hosting a virtual Public Community Consultation Meeting on Jun 19th, 2024, from 6:00pm – 7:00pm. The purpose of this meeting is to consult with the public on Official Plan Amendment 680 (OPA 680) which amends the definition of “area of employment”. Currently, the city’s employment areas enjoy special protections.

For the City’s Employment Areas to continue to benefit from special protections, timely changes are necessary to ensure that the Official Plan is aligned with the amended definition of “area of employment”. OPA 680, in combination with other official plan changes, will help to ensure the City’s Employment Areas are protected over the long term and maintain their economic viability.

For more information, please visit the project webpage [here](#) and register for the virtual Public Community Consultation Meeting [here](#).

HOUSING ACTION PLAN: UPCOMING PUBLIC CONSULTATIONS

You are invited by the City Planning Division to join virtual Community Consultation Meetings on [Tuesday, June 25 at 6:00pm](#) or [Thursday, July 4 at 10:30am](#) (to register, click either link). The purpose of this meeting is to consult with residents and businesses in North York on the Avenues Policy Review initiative, which is one part of the [Housing Action Plan](#) (HAP).

The HAP is a cornerstone of the City’s efforts to address current housing challenges. Adopted by City Council in December 2022, the HAP outlines a strong ‘made-in-Toronto’ multi-pronged approach to increase housing supply, housing choice and affordability for current and future residents.

To help accomplish these goals, the HAP directed City staff to find ways to accelerate the supply of housing by examining and removing policy barriers to new housing. Through the Avenues Policy Review, City Planning staff are looking at opportunities to:

1. update the vision and policy direction for how Avenues will develop;
2. extend and potentially introduce new Avenues;
3. streamline study requirements for building new housing along Avenues; and
4. consider opportunities to create areas of transition between Avenues and Neighbourhoods to enable more housing.

For more information about this and similar initiatives, please visit the [project webpage](#).

Please also consider completing this [short survey](#) to share your thoughts on this initiative directly with staff and help inform the discussion during the upcoming meetings.
