Canada Day - Let us be proud and thoughtful

Happy Canada Day! As we go about our long weekend activities, let's make sure we take time to appreciate the beauty, diversity, and unity of our country! May we continue to cherish and uphold the values that make Canada truly special. As we see the challenges faced by democracies around the world, let us not take for granted who we are, and also make a commitment to be participants in the strengthening of our nation. Democracy is frail. Our best way to protect the future strength and stability of Canada is by taking part.

At the same time, we acknowledge the establishment of our country stands on a complex and painful history with the Indigenous community. On this day, we celebrate who we have become while acknowledging the harm that has been done and committing to working together toward a beautiful future that includes reconciliation.

Shape the Future of Willowdale's Community Centres!

This week, we invited all Willowdale residents to explore our vibrant community centres: **Mitchell Field**, **Goulding**, and **Edithvale**. These visits offered a fantastic opportunity for my team and me to connect with residents and for everyone to experience a variety of programs, including art and craft workshops, Zumba classes, and more exciting activities at these locations!

Programming offered at each centre throughout Toronto should reflect the unique needs and dreams of residents in each neighbourhood. **WE NEED YOUR FEEDBACK!** Parks, Forestry & Recreation has launched a survey to gather your feedback on the existing activities, workshops, classes, and programs you would like to see. www.bit.ly/WillowdaleCCFeedback

Some great ideas and feedback we have heard thus far include:

- Seniors coffee time
- Providing bike pumps and/or bike fixing station at each centre
- Hosting open mics
- Paint drop in time
- Increase drop-in opportunities
- Seniors gathering space
- More ping-pong tables

The survey is open until the end of summer. Don't miss this chance to make your voice heard and shape the future of our community centres!

Fun Fairs Galore & Happy Graduation Class of 2024!

June is a vibrant month for students and their families, with school graduations and exciting fun fairs that celebrate the end of the school year and the beginning of summer. My team and I had the pleasure of engaging with many residents by participating in these events and contributing to the fun fairs, even in small ways.

In line with our commitment to strengthen community participation and encourage youth involvement, this year marked the second presentation of the Lily Cheng Community Champion Awards. Inspired by my predecessor in establishing the award, it is our chance to recognize students who have contributed meaningfully to improving their school or community. Nominated by their school staff and principals, these exemplary students embody the spirit of responsible citizenship and community service. It has been wonderful to meet all these incredible students!

Happy Summer Vacation to all students and teachers who launch into their break this weekend. Happy Long Weekend!

STAY VIGILANT AT MEL LASTMAN SQUARE

While returning from Mel Lastman Square this weekend, a concerning incident unfolded at Yonge and Byng Ave. A stranger approached a Willowdale resident, claiming a taxi payment issue, a known tactic in the Downtown taxi scam. The individual insisted on using their card to pay the driver, promising cash in return. This scheme involves swapping cards with a fraudulent 'driver' who then clones or uses the card details illicitly. Stay vigilant against this deceptive practice!

CITY OF TORONTO UPDATES

CITY OF TORONTO FIREWORKS PROGRAMMING AND NOTICES

The City of Toronto is proud to bring free, city-wide programming to residents and visitors celebrating Canada Day on Monday, July 1.

Fireworks displays

The City’s flagship, 14-minute fireworks display will be held at Ashbridges Bay Park located at 1561 Lake Shore Blvd. E. starting at 10 p.m. on Monday, July 1. The City will also host fireworks displays at the following parks starting at 10 p.m.:

- Centennial Park, 256 Centennial Park Rd.
- Milliken Park, 5555 Steeles Ave. E.
- Stan Wadlow Park, 888 Cosburn Ave.

There will be no fireworks displays at Nathan Phillips Square, Mel Lastman Square, or Fort York National Historic Site.

Important reminders about fireworks

Fireworks are allowed without a permit on Canada Day only, until 11 p.m. on residents’ private property. Fireworks are not permitted in City parks or on beaches, balconies, streets, parking lots or a property not owned by a person setting off the fireworks.

Only adults 18 years of age or older should supervise or set off fireworks. Those setting off fireworks must be mindful of their surroundings and not discharge fireworks where they may be a nuisance or pose a risk of fire, injury or damage to any person or property.

Bylaw Enforcement Officers and Toronto Police Service will be patrolling various parks and waterfront areas to ensure compliance with the Fireworks Bylaw.

In the event of a fire, call 911.

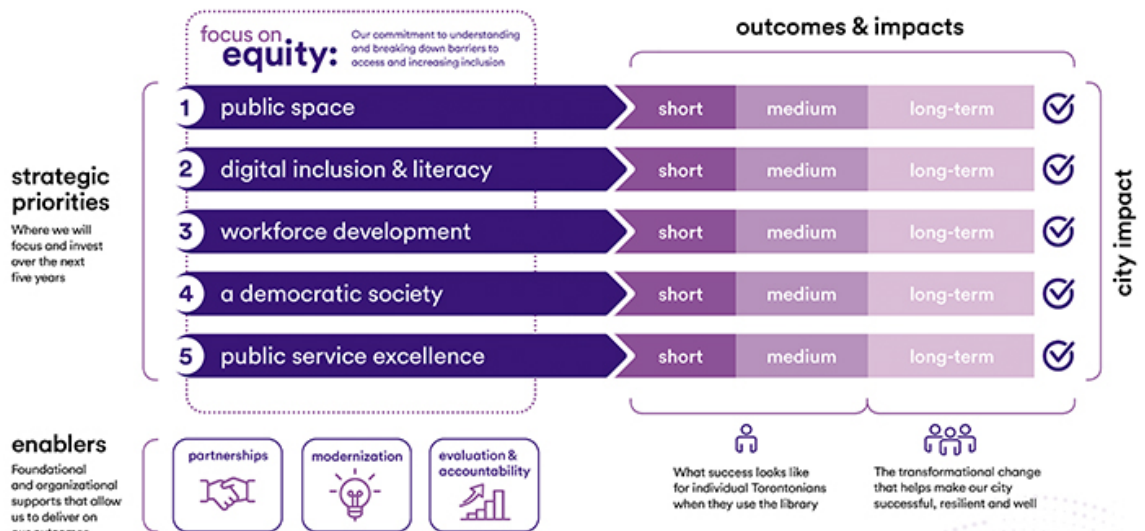

The misuse or illegal sale of fireworks can be reported to 311 by phone or by submitting a service request on the City’s 311 webpage:

<https://www.toronto.ca/home/311-toronto-at-your-service/>.

Safe fireworks disposal

Improper fireworks disposal can cause fires in waste collection vehicles and at facilities. To dispose of used or unused fireworks, residents are encouraged to completely submerge them in water and soak them overnight. Place the soaked fireworks in a plastic bag to keep them from drying out and dispose of them in your garbage bin. Never put used or unused fireworks in your blue bin.

More information about fireworks rules, safety tips and proper disposal is available on the City’s Fireworks webpage: <https://www.toronto.ca/city-government/public-notice-bylaws/bylaw-enforcement/fireworks/>.

HAVE YOUR SAY IN THE LIBRARY'S FUTURE!

Toronto Public Library is creating a new Strategic Plan to guide the library over the next five years, and they’d like your input! Based on the ideas shared in the first round of consultations, the library has identified eight areas to focus on. Now, they need your help to further prioritize and guide their work.

To participate, please visit tpl.ca/strategicplan before July 24.

RENEW SHEPPARD AVENUE EAST

The Growth Plan conformity requires the City to individually delineate the boundaries for Major Transit Station Areas (MTSA) and to prioritize growth where transit and other infrastructure currently exists or is planned. The City initiated the Municipal Comprehensive Review (MCR) and in July 2022, the City adopted MTSA's to conform with the Growth Plan. MTSA's are areas within an approximate 500 to 800 meter radius of a transit station, representing about a 10-minute walk.

In February 2022, City Council directed staff to initiate a fulsome review of the existing development policies contained within the Sheppard East Subway Corridor Secondary Plan including the formation of a Business Improvement Area (BIA). City Planning launched the community engagement process which included Phase 1: Open Houses on April 12, 2023, and May 28 2024, and

Latino Canadian Cultural Association in partnership with CANORAA (African Association) will present a two-day Latin American-Afro-Indigenous-Mediterranean-Eastern European Festival of Music and Dance at Lee Lifeson Park. Don't miss this vibrant celebration of diversity and community!

When: June 29 - June 30, 4:00 PM - 8:00 PM
